\*

### Art

- Every student needs to bring 4 - #2 pencils

### Math - See reverse side

- Refer to specific math class on the reverse side

**\*Bibles – New Living Translation(2<sup>nd</sup> edition) (\$8.00) Available at CCS office.**

\* 1. All students should be prepared to go to their local library.

\* 2. Calculators:

“Calculator” indicates a scientific calculator or any other inexpensive calculator or your choice.

“Scientific Calculator” indicates a scientific calculator with a 2-line display. Suggestion: Casio FX 115ES available at Target and Office Depot for \$15-\$20 or any other one similar to this one.

You must have only this variety for Algebra 2, Pre-Calculus, Calculus, College Prep Math,

Chemistry, and Physics. A graphing calculator is acceptable but not required. A Texas instruments TI-89 or above is not acceptable.

\* 3. Access to a computer is required for several classes. Reports and essays are often requested to be finished in typed form. Computers in the computer lab are not available for assignments other than their respective class, however, all students have access to word processing and the Internet at their local library.

\* 4. Any copies printed at school will cost 25 cents each.
